## **Spring Break for Wall Street Growth & Value Investor Conference Happens Again on March 3rd in South Florida**

FORT LAUDERDALE, Fla.--(BUSINESS WIRE)--Hundreds of attendees are expected to gather for The Growth & Value Investor Conference, a two-day event on the evenings of March 3rd and March 4th, at the Sheraton Suites Cypress Creek Hotel, in sunny Fort Lauderdale.

**“I'm extremely excited to have so many wonderful companies at the event; they were selected with an affinity of how the economy is evolving right now”**

More than 20 outstanding U.S. publicly traded companies, representing 10 industries will be conducting corporate power point presentations and breakout meetings to financial money managers and accredited investors.

Led by New York Stock Exchange Companies: **Aflac (NYSE: AFL)**, **Brandywine Realty Trust (NYSE: BDN)**, **Fidelity National Investment Services (NYSE: FIS)**, and retailer **Chico's FAS (NYSE: CHS)**, presenting companies will offer a rare look into their operations, their industries, their management, and their growth potential.

"I'm extremely excited to have so many wonderful companies at the event; they were selected with an affinity of how the economy is evolving right now," said, James DePelisi, Founder of LDV Capital Management, who is hosting the event. He stated, "No matter whether you are an accredited investor, a financial advisor, or an institutional fund, there will be companies to see and presentations to hear, that will discuss how one can persevere in the current American economy."

Other companies presenting include: **Aethlon Medical (OTCBB: AEMD)**, **Atherysis (NASDAQ: ATHX)**, **Aurizon Mines (AMEX: AZK)**, **Claude Resources (AMEX: CGX)**, **Data Storage Corp. (OTCBB: DTST)**, **Digital Ally (NASDAQ: DGLY)**, **Fronteer Gold (AMEX: FRG)**, **Home Choice (NASDAQ: HCII)**, **Lucas Energy (AMEX: LEI)**, **Optimized Transportation Management (OPTZ.OB)**, and **Rubicon Minerals (AMEX: RBY)**, and **Seafarer Exploration Corp. (SFRX.OB)**

"With the type of companies presenting, I would hope that we can eclipse our 1,000 person attendance from two years ago, where people from all over the country attended. It seems everyone wants to come to Florida in March to enjoy the beautiful weather, but the presenting companies, alone, are enough to attract astute people to this event."

Additionally, LDV intends to have a panel of recognized Accounting and Law firms that specialize in Securities and Exchange Commission (SEC) disclosure work, to inform the financial community and the general public about the recent government reform on Wall Street and how it is truly affecting the economy.

A complimentary cocktail reception will be held from 4:00 p.m. - 4:50 p.m.; Corporate power point presentations and panels will run from 5:00 p.m. to 7:30 p.m.; Breakout sessions will run from 7:30 p.m. - 9:00 p.m.
